# READERS' LETTERS

## Right UP our Sally!

I appeared in Escort a couple of years ago and although I didn't show my face I received lots of post from admiring readers!

Most of it was from men wanting to do really dirty things to my pussy. But one was from a lady called Sally!

My pussy was dripping just thinking about it. We arranged for her to come over to our house. I was dressed as I am in these pictures – with my best stockings and an orange corset.

My boyfriend had been dying to see me with another woman, and he wasn't disappointed when Sally arrived wearing a short skirt that barely hid her pussy, red stockings and suspenders and high heels.

## "I PLICKED HER PUSSY AS ANDY'S SHAFT PENETRATED HER WET-LOOKING HOLE."

I was very nervous to start with but after a few drinks we started stroking each other's legs. Eventually, after what felt like an eternity, Sally slipped a finger inside my knickers.

It felt so fucking good that I opened my legs wider and pushed my twat out to meet her digits.

Sally responded my thrusting two fingers deep inside my soaking wet pussy.

By now Andy my boyfriend had pulled his big cock out of his trousers and was wanking it slowly, his eyes fixed on the lesbian show that was unfolding before him.

Sally and I stripped completely and explored each other's bodies, kissing, sucking, fingering and licking everything. I had never had my arse licked by a woman before – I can thoroughly recommend it!

Sally went over to Andy and gave him a quick blowjob. Then she sat on his rigid cock. I licked her pussy as Andy's shaft penetrated her wet-looking hole, pounding

away before pulling out and showering me with his cum.

Needless to say we all came several times and I got some fantastic pictures that are far too rude for you guys to print.

Our next fantasy is to meet a girl that will take Andy's cock up her arse. She will have to have a big arse as

I don't know about you, but as far as I'm concerned there are few things better in life than coming home to find a French Maid dusting your cushions. Firstly, nobody likes dusty cushions, do they? And secondly, of course, there's a chance the French Maid might just be as horny as Crystal here, in which case you'll be treated to a lot more than a quick flick with the duster. One way or another, she's sure to keep the cobwebs away.

## THUGS AND KISSES

One thing the world's been lacking is a scruff flick all about football hooligans – but not any longer, thanks to this high-budget offering from Digital Playground! With a mostly British cast (except for Eva Loria and Cathy Heaven) you'll get to see plenty of home-grown hotties getting their cum-uppance, with a double dicking for Sienna Day a real highlight, but if you're really craving filth, the bunk-up between Cathy and Danny Dee takes quite some beating – as does Cathy's arsehole, it has to be said! Plot's a bit silly, but the sex is bang on!

## Choco pops!

We all know that women of a certain age can

sometimes develop a bit of a sweet tooth when it comes to chocolate, but not many of them develop appetites quite as overpowering as the slappers on display in this flick, who all seem to have gone made for a good helping or three of black cock! German covergirl Julia takes the biscuit by getting herself in the middle of three ebony poles after being picked up on the beach. She's not averse to dishing out some serious rimming along the way, and she doesn't half look pleased with herself by the end.

## Dear Julia

Whenever anyone asks me what I want for Christmas my mind always goes completely blank – which usually means I end up getting a load of tat. Still, Having just spent several happy hours looking through your latest copy, I've decided that what I'd really like for Christmas next year is to find the stunningly sexy Sophia Delane waiting for me under the tree, pushing her boobs together in her skimpy Christmas costume and asking if there's anything she can do for me! I realise it's very unlikely to happen, but hey – if you don't ask you don't get, so Sophia'll be top of my wish list for next year. Only trouble is, looking at these pictures, I think I'm going to struggle to be a good boy between now and then!

Steve, Brighton.

### Julia says:

**She'll probably be on loads of people's lists, Steve – and sadly only Santa can visit that many places on one day.**

## DEAR JULIA

### Dear Julia

I just wanted to write in to say a big thank you to the shy, beautiful Natasha from Sussex, who appeared in Volume 36 Number 13. I absolutely loved the sight of your named body – it was such a turn-on I had to wank myself off right there and then, sending slunk flying all over the place, just as you'd hoped would happen! I'd love to see you in Escort again – if you do send in more pictures, I promise to shower you with even ore of my sticky come, just as your beautiful body deserves!

Paul Manchester.

PS – Please do print this letter – to give Natasha some extra confidence in her sexy bod!

### Julia says:

**Thanks Paul – and of course we'll print it, although it looks to me like Natasha's already got a plenty of confidence in just how sexy her body is!**

Season's wishes!

# REAL WIFE SEX

Tina gets some special retail therapy...

**"I continued to circle my middle three fingers rhythmically and roughly against my swollen and throbbing clit."**

After 8 years of marriage I've recently found myself increasingly attracted to females, and (although I know it sounds a little perverted!) I look forward to going shopping more than ever these days, so I can spend a little time in the communal changing rooms. Just watching girls smooth down a new skirt over their hips, or hitch up their bra to adjust their tits in a halter-neck creates a feeling of excitement in the pit of my stomach. A few times I have been caught staring, as a girl saunters past in just a bra and jeans, and have been on the receiving end of a defensive scowl or two. Nonetheless, this hasn't put me off, and the other week I surprised myself by taking things a whole lot further than I ever thought I would.

This particular changing room had curtained booths circling a communal mirrored changing area, and when I entered, a relatively buxom girl was squeezing herself into a ribbed corset, to go with a pair of tight leather trousers. The straps of her bra were straining with the size of her breasts, until she pushed them against herself, as her friend pulled the corset around her. She was nothing special, but was pouting and smouldering into the mirror, as her friend tied her in, pushing her cleavage higher as she did

this.

I found myself getting highly aroused, and this sensation was soon heightened when she removed the leather trousers, and stood there shamelessly in just a pair of little, tight knickers and the corset. It was almost too much to bear as she stood casually with her hands on hips, discussing what would look 'sexy', with her equally brazen companion.

I was so obviously fixated with the sight before me that I retreated behind the curtain of the cubicle I had

**"I dutifully fucked away harder and harder, spreading my bum-cheeks..."**

dumped my clothes in, before I was spotted. Despite the girls being out of sight, my imagination was now running wild. As my breath quickened, I thought of strapping her in the corset myself as her friend watched us. As I pulled the laced ribbon, I would kiss the back of her neck gently and grind my pelvis against her soft arse. Closing my eyes and picturing the scene, I instinctively pivoted my own arse into the back wall of the cubicle and reached into my panties. Running my fingers teasingly through

heavily into my ear, urging me to "make her come".

Within the changing room, I began to thrust forwards against my own hand, unaware of the noise I was obviously making, whilst in my thoughts my own juicy fanny was now deep over her friend's fingers as I dutifully fucked away harder and harder, spreading the bum cheeks below me to get in as deep as I could.

*Continued on p.72*

my own pussy mound, I fantasised about pulling the back of her knickers down and taking a handful of fleshy bum. I would then reach further round to find her moist slit and hook my middle finger inside her...

My finger was now penetrating my own pussy and I was becoming increasingly excited and less inhibited about my surroundings, letting out a few noises and not feeling in the least bit guilty. The thought of then bending her over came next, allowing me to get my salivating tongue into both holes. She would be kissing her friend as I poked her twat and teased her tight little bumhole with the tip of my tongue, causing her sphincter to clench under my mouth.

"Oh... yes, fuck me you little bitch!" I could hear her say as her friend came behind me and strapped me into a thick fake dick, as she

had done the corset before.

Snapping back to reality for a second, I could feel the sweat dripping down my back and making my bum slide against the painted back wall,

but I just continued to circle my middle three fingers rhythmically and roughly against my swollen and throbbing clit. In my head, I was now holding her mane of hair in one hand as I bucked her sopping hole, all the time her asking me to go deeper. My own tits cradled from behind by her friend, as she breathed

"Would you like to stroke my pussy?" purrs Danni, doing her best impression of some sort of cross between the Pink Panther and an extremely sensuous domestic moggie! "I'm really thirsty for a good helping of cream, too!"

Hmm, even the most committed of dog people will have to admit there's a certain something about feline charms! Now all we need to do is work out how we're going to get into that delectable cat-flap!

# REAL WIFE SEX

*story continued from page 19*

"I'm going to come all over your dick. Spank my fucking arse, now!" she screamed. The image became overwhelming, as I imagined her slick, glistening juices covering the shaft of the strap-on, as I too came over the fingers inside me, shuddering uncontrollably while still thrusting in and out of her dripping pussy with my cock. Meanwhile, I could feel my real orgasm taking hold, and let out some short, barely suppressed yelps from behind the curtain as I bucked with pleasure. I felt my muscles tighten, my body shudder and my climax wash over me in glorious waves. My pussy and the wall were both soaking with my come and perspiration. Sliding down the wall and slumping onto the floor, my thighs were hot and

wet, as a satisfying warmth ran through my body and my engorged clit throbbed.

It took me more than a few minutes to get myself together and

**"I came over the fingers inside me, shuddering uncontrollably."**

composed, and by the time I had appeared from behind the curtain, the two girls had gone. Who knows whether anyone heard me getting my kicks, or if the girls were aware of what I was doing in there? I almost wish they had caught me and joined in, but maybe a changing room isn't the

right place to fulfil my fantasies! Still, it was definitely something I personally won't forget soon, and has me reaching for my throbbing pussy again every single time I think of it! Even my hubby's noticed how much randier I am now, so he's not complaining, although he doesn't know why, of course. I think I'm going to suggest we have a threesome with another girl some time - I'm sure he won't object! ☺

"I'll never forget the day I realised I could suck my own nipples. I'd been talking about it with some friends – none of whom could do it, so I went home that evening and gave it a try. It felt a bit odd at first, but I soon got the hang of it! When I'm fucking, sometime the guy will suck one nipple and I'll take the other – that way I'm bound to cum buckets in no time!"

View to a Thrill!

The other week, my boyfriend Steve and I decided to head along to one of our local pubs to see a live band.

After a few drinks and a couple of hours of watching some shitty band, my thoughts drifted towards sex... as they often do.

I started thinking about what I was going to do to Steve when we got home, and gave his cock a little squeeze through his denims to let him know what I was thinking.

Steve loves me doing this when we're out and before I knew it, he was rock hard in my hand.

Needless to say, my pussy was dripping as I felt this hard ridge rise in his trousers.

Steve, in the meantime, had slipped his hand up my skirt was pressing and probing my wet pussy lips without anyone noticing.

Enough was enough. "Let's get home," I told Steve.

We grabbed our coats

and left the boozer in a fit of excitement.

It took ten minutes to walk back to Steve's and when we arrived, I

against the cold, hard bonnet.

I sprawled across the front of his motor and a second later Steve was between my legs and licking at my gusset.

I moaned with pleasure

**"HE EASED HIMSELF INSIDE ME WITH LONG DEEP STROKES, AND I WRAPPED MY LEGS AROUND HIM."**

joked about getting aroused by the sight of his car sat outside.

"I wonder what it can do," I said, hitching up my skirt and pressing my arse

as he pushed it aside and stuffed his face into my sopping wet slot.

He lapped at my lips with long, lingering strokes of his tongue, before centring his flicks on my ultra-sensitive clit.

I was suddenly groaning so loud that I was in danger of waking up the neighbours – not that this would've

stopped us.

Steve pushed up my bra to release my tits, and pinched my nipples as he sunk his tongue deeper and deeper into my cunt.

I opened my eyes to watch Steve licking me, and gasped when I saw four or five young guys on the other side of the road.

Before I had a chance to think, let alone speak, Steve was climbing up my body with his hard cock in his hand.

He pressed it between my thighs and sunk straight into my quivering pussy.

03. GAIL

He eased himself inside me with long deep strokes and I wrapped my legs around him to savour his thrusts.

All the time Steve was fucking me, I watched the lads on the other side of the road as they watched us.

This turned me on like you wouldn't believe and I ground my pussy against Steve's thrusting piston until I could hardly see straight.

The harder Steve pumped me, the louder I moaned.

I buried my face into Steve's neck to muffle my screams, but it hardly made any difference I came all over the bonnet of his motor.

Steve went for the finishing line and fucked me as hard as he could, and all of a sudden I felt a whoosh of sticky spunk flood my insides.

As we lay there panting and gasping, I looked over Steve's shoulder and saw the group of lads had turned and were walking away.

I told Steve what had happened, as he pulled his slippery cock out of my sticky hole.

This clearly excited Steve because he bundled me through the front door and pulled out his juice-covered cock to me to lick clean.

I went at it with gusto and soon had it hardening in my mouth again, which meant I got one more ride out of him that night.

We've tried most things in our time, but now we're keen to have another woman or two join us for three- or foursomes.

Gail, Glasgow.
